Affiniti Cloud™

Pinnacle's Affiniti Cloud™ Solutions are applications built on a secure and stable cloud platform, architected to use web services and reusable components, HTML 5 Web apps and responsive design.

Within the Affiniti Cloud™ Solution Suite, you will find corporate level management tools and store level applications to help you as a retailer manage and operate your business, whether you are a single store operator or a multi-store chain.

Introducing Affiniti PickUp & GO!™

Who wants to wait in line? Your customers certainly don't! That's why you need Affiniti PickUp & GO!

Using your branded mobile app, customers can walk into your store and find the items they want to purchase, then scan them and add them to their cart. Easily pay from the mobile app and walk out.

It's frictionless and that simple.

Scan, Pay and GO!

Cashier Monitor

As your customers are shopping in the store and using your mobile app to scan and purchase items, the cashier will see their transactions on the Cashier Monitor and can continue checking out other customers.

If the mobile app customer chooses an age restricted item such as alcohol, the cashier will be notified on the Cashier Monitor.

Affiniti PickUp & GO!™

Mobile Ordering and Pick Up

Another thing your customers want? Convenience! The convenience to order items from wherever they are – their home, office, or school – and pick them up at a time that's convenient for them.

Affiniti PickUp & GO!™ can do that too!

Using your branded mobile app, your customers can order items they want to pick up on their way home from the office – or wherever they may be – pay for them from the mobile app, and pick them up when they arrive in the store or at the pump. It's that simple.

Order, Pay, Pick Up and GO!
